## AMERICAN JOURNAL OF NURSING

*New Magazine in the Learning Resource Center for you to check out*

The American Journal of Nursing is now on the shelf on all three campus locations. This magazine is a great source of information for students in any medical program to get the inside scoop on current topics and trends in nursing.

In the American Journal of Nursing you will find:

- Articles on Nursing
- Nursing News
- Drug Watch
- And More

This is a reliable peer- reviewed journal to pick up and check out when you are in the LRC. See what Nurses and others in the Medical profession are talking about.

Check it out today!
