CARES Act Policy and Distribution Process

Pinnacle Career Institute (PCI) has reviewed and established the following policy and process to disburse the CARES Act funding provided for students impacted by COVID-19. PCI has further determined that all PCI students have been impacted, to various degrees, by COVID-19, with the ground/flex students having additional costs with the need to transition to 100% online classes. Therefore, the following policy has been adopted in the disbursement of the CARES Act funding allocated to PCI for its students.

CARES ACT EMERGENCY RELIEF FUNDS DISBURSEMENT POLICY

Pinnacle Career Institute has established the following disbursement formula for the CARES Act Relief Funds

All Active Hybrid Residential* Students will be awarded \$1350.00 in two disbursements:

| | |
|------------------------|----------|
| Active week of 5/11/20 | \$675.00 |
| Active week of 6/8/20 | \$675.00 |

All Active Wind Turbine Tech and Medical Assistant DE whose residential portion of the boot camp has been disrupted will be awarded \$650.00 in two disbursements:

| | |
|------------------------|----------|
| Active week of 5/11/20 | \$325.00 |
| Active week of 6/8/20 | \$325.00 |

This policy will include students who were granted an emergency leave of absence from and after March 5th 2020:

* Hybrid Residential students were moved to a 100% online environment due to the campus closure and these students are in particular need of computers and internet access since these particular students did not plan in advance to be in a 100% online environment prior to the onset of COVID-19.

If there is any additional funding remaining after these initial disbursements the remaining funds will be disbursed equally among all active students until the balance of all available funding is disbursed.

***07/06/2020 – Final Determination of Remaining Balances**

PCI has determined that the remaining funds should be allocated proportionately among those students of the initial disbursements with Hybrid Residential students receiving a greater amount to those students whose only the residential portion of the boot camps were disrupted. This resulted in an additional amount as detailed below:

| |
|--|
| Hybrid Residential students- \$75.00 |
| Wind Turbine and Med Assistant DE Residential Boot Camp- \$55.00 |

Final Disbursement Determination:

| |
|--|
| Hybrid Residential students- \$675.00 + \$75.00 = \$750.00 |
| Wind Turbine and Med Assistant DE Residential Boot Camp- \$325.00 + \$55.00 = \$380.00 |

All students will be required to sign an affirmation that the funding received by each student will be used for approved expenses related to the impact of COVID-19 which are the following needs: food, housing, transportation, educational material, technology, health care, and/or child care expenses. Checks will be mailed via U.S. Regular Mail upon receipt of the executed confirmation by the individual students.

CARES Act Certification Residential

The Coronavirus Aid, Relief, and Economic Security (CARES) Act thru the Higher Education Emergency Relief Fund (HEERF) allows institutions of higher education to provide allocated funding determined by the U.S. Federal Government to current students to assist with expenses due to a disruption in family financial situations and expenses due to COVID-19 and disruptions in campus operations. This includes eligible expenses related to a student's cost of attendance (COA) such as food, housing transportation, educational material, technology, health care and/or child care expenses. All active students and students on an emergency leave of absence as of 05/011/2020 attending a residential program at Pinnacle Institute (PCI) have been impacted by COVID-19. PCI has determined that each of these student should receive a grant of \$750.00 of this funding to offset the additional costs that have occurred during their educational studies.

This funding will not be used for tuition expenses and/or tuition balances. This is a grant that does not need to be repaid.
